Also give your display area requests:

- Table(s)—standard 8' — # needed
- White tablecloth(s) — # needed (Optional @ \$3 each)
- Bulletin board
- Two-sided display area
- VCR
- Electrical outlet

Briefly describe the physical aspects of your exhibit.
Include other info/comments/special needs.

The exhibit area will once again be in the second floor corridors of the Fine Arts Building, surrounding the auditorium where the general assemblies will be held. White tablecloths may be rented for \$3 each. They are optional, but I would encourage you to use one unless you have something better of your own that you'll bring with you. Otherwise, you'll receive just a plain table with no skirting.

Several bulletin boards mounted on the corridor walls make wall displays easy. The corridors are narrow, requiring the display tables to be positioned parallel to and against the walls. If you wish to set up a two-sided display, it could be located in the foyer at the end of the building; this area is light and attractive but less traveled.

A number of electrical outlets make possible the use of audio and video equipment on your table. You should BRING YOUR OWN AUDIO EQUIPMENT AND EXTENSION CORD. Video players on carts may be borrowed from Calvin College.
